Licence Information

Longford Trading Limited (FSP692771, trading as Canopy Group Ltd) holds a Class 2 Licence issued by the Financial Markets Authority on 6 May 2022.

Nature & Scope of the Advice

Longford Trading Limited provides advice to our clients about their life insurance, health insurance and KiwiSaver. Our financial advisers provide financial advice in relation to these financial advice products. We only provide financial advice about products from certain providers:

- For life, income protection, trauma and permanent disability insurance, we work with six companies - AIA, AMP, Asteron Life, Chubb, Fidelity Life & Partners Life.
- For health insurance, we work with five providers - Southern Cross, Accuro, NIB, AIA & Partners Life.
- For KiwiSaver, we work with two providers - Generate & NZ Funds.

In providing you with financial advice, we will only consider existing term life, trauma, income protection and health insurance policies (if any). We will not provide advice on existing whole of life or endowment products, so you will need to consult a specialist if you would like advice on those products.

Fees or Expenses

Longford Trading Limited does not charge fees, expenses or any other amount for the financial advice provided to its clients.

Conflicts of Interest & Incentives

For life insurance and health insurance, Longford Trading Limited and the financial adviser receive commissions from the insurance companies on whose policies we give advice. If you decide to take out insurance, the insurer will pay a commission to Longford Trading Limited and your financial adviser. The amount of the commission is based on the amount of the premium.

To ensure that our financial advisers prioritise the client's interests above their own, we follow an advice process that ensures our recommendations are made on the basis of the client's goals and circumstances. All our financial advisers undergo annual training about how to manage conflicts of interest. We undertake a compliance audit, and a review of our compliance programme annually by a reputable compliance adviser.
